

What is Natural Language Processing

Random Person

Introduction to Natural Language Processing

Theorem

It is close to NP-Prime

1. Or is it?

4. May be!

Theorem

It is close to NP-Prime

1. Or is it?
2. Na'vi is a natural language
3. ...
4. May be!

Theorem

It is close to NP-Prime

1. Or is it?
2. Na'vi is a natural language
3. Or is it?
4. May be!

So what is NLP then?

- ▶ Example 1
- ▶ Example 2
